DEGREES, DIPLOMAS, CERTIFICATES IN ARTS, EDUCATION, SOCIAL SCIENCES AND INDIGENOUS AUSTRALIAN STUDIES

ARTS, SOCIAL SCIENCES AND INDIGENOUS AUSTRALIAN STUDIES

Entitlement to attend

1. A student of the University shall be entitled to attend any lecture with the permission of the lecturer.

Application of requirements

- 2.1 In addition to the Faculty Award Requirements candidates must comply with the University Requirements for Undergraduate Coursework Awards listed in this Course and Subject Handbook and specific degree, diploma or certificate Award Requirements.
- 2.2 In exceptional circumstances the Pro-Vice-Chancellor, where appropriate in consultation with the relevant Head of School, may dispense with or amend any requirements of or prescription by the University Requirements for Undergraduate Coursework Awards, Faculty Award Requirements and specific degree, diploma or certificate Award Requirements. Any major dispensation of the requirements should be reported to the faculty.
- 2.3 The Pro-Vice-Chancellor, where appropriate in consultation with the appropriate Head of School, may permit a candidate to graduate with fewer than the stipulated credit points of study for an Award offered in the faculty.

Enrolment in awards

3. A person who holds an award listed in General Requirements 1.1 and 1.2 may not be a candidate for that award in the same discipline.

Advanced Standing

- 4.1 Candidates for awards of the faculty may apply to obtain advanced standing as detailed in the Advanced Standing for Previous Studies and Recognised Prior Learning Policy and associated procedures.
- 4.2 Candidates are advised that degree specific Award Requirements may specify advanced standing provisions unique to that degree.
- 4.3 Candidates are advised that such advanced standing obtained may be subject to cancellation as specified within degree specific Award Requirements.

The grade of Pass Conceded

- 5.1 The grade of Pass Conceded may be recommended by the School directly on the basis of the particular examination. This grade may also be awarded by the faculty following consideration of the candidate's overall result for the year.
- 5.2 A candidate who is granted the grade of Pass Conceded in a subject shall be deemed to have passed the subject and shall be credited with the appropriate credit points, but may not enrol for a more advanced subject in any discipline requiring the first as a prerequisite except with the approval of the appropriate Head of School.
- 5.3 The number of credit points that may be credited at Pass Conceded level shall not exceed a total as determined from time to time by the faculty.

- 5.4 A candidate awarded the grade of Pass Conceded may apply to the Head of the School concerned for permission to attempt to convert that grade to a Pass grade. Such re-examination will not be counted towards aggregate credit points work load for an academic year.

- 5.5 All applications under Requirement 5.4 must be approved by the Pro-Vice-Chancellor.

Non-degree students

- 6.1 A person who is not proceeding to a degree may enrol for any subject with the approval of the Head of School and on completing the subject shall be entitled to receive an official statement to that effect on application to the Registrar.
- 6.2 A person who has not qualified for Ordinary or Alternative Entry Admission may enrol for any subject with the approval of the Head of School in the terms of Requirement 6.1, but may enrol for subjects in more than one School only with the approval of the faculty. Subjects completed by such a student may not be credited towards a degree except by permission of the faculty.

Saving clause

7. Notwithstanding anything to the contrary contained in these Requirements, the faculty may in any case in which it may deem it appropriate to do so, dispense with or suspend any condition of or prescription by these Requirements. Any such action by the faculty shall be recorded for the purposes of an annual review.

Exceptional circumstances

8. In exceptional circumstances and with faculty permission a candidate may be permitted to graduate with less than the minimum stipulated credit points of study for an award offered by the faculty.

BACHELOR OF COMMUNITY WELFARE

see also *Courses and Majors, Bachelor of Community Welfare and Bachelor of Community Welfare with Honours* on page 51

Note: There is a quota on entry to the Bachelor of Community Welfare degree and on entry by transfer into level 3 of the degree. A person who wishes to enrol for the degree of Bachelor of Community Welfare may be required to demonstrate suitability for welfare work and all students must demonstrate suitability before undertaking field education projects and placement.

Requirements for completion of degree course

1. To qualify for the degree a candidate must normally have completed subjects of a total value of 72 credit points in accordance with these Requirements. The normal minimum time for completion of the degree is three years of full-time study.

Constitution of the degree

- 2.1 The subjects selected shall be in accordance with the program in Community Welfare shown under Undergraduate Courses and Majors.
- 2.2 Candidates will be required to be interviewed, in accordance with procedures approved from time to time by the faculty, to assess their suitability for welfare work before undertaking professional field education projects and placements.
- 2.3 Candidates may be required to undertake field education projects and placements in agencies outside Townsville or Cairns at their own expense.

Advanced standing

3. The faculty will grant:
 - (i) for candidates holding a completed Associate Diploma in a related field of study and admitted to a three year Social (Community) Welfare degree program, a minimum advanced standing of 33% of that program;
 - (ii) for candidates having completed two years of a four year Social (Community) Welfare degree, and admitted to a three year Social (Community) Welfare degree program, a minimum advanced standing of 33% of that degree program;
 - (iii) for candidates transferring between three year Social (Community) Welfare degree programs, full equivalent advanced standing.

In these guidelines:

- (i) a reference to an Associate Diploma in related field of study means as Associate Diploma program accredited by the Australian Institute of Welfare and Community Welfare Workers or recognised by the university granting the advanced standing;
- (ii) a reference to a three year Social (Community) Welfare degree means a degree program approved by the Australian Institute of Welfare and Community Workers.

In the Faculty of Arts, Education and Social Sciences:

- (i) the granting of advanced standing is subject to University requirements for admission;
- (ii) the granting of advanced standing is subject to faculty policy concerning the minimum amount of study required at James Cook University before a qualification can be awarded;
- (iii) the faculty may accept, for the purposes of granting advanced standing, associate diplomas and degree programs in addition to those contained within the above definitions.

Candidates in the Bachelor of Community Welfare degree may apply to the Head of Social Work and Community Welfare for exemption from some of the field placement requirements on the basis of recognition of prior learning and completion of a challenge test.

Professional experience in the degree

- 3.1 All candidates enrolled for the degree of Bachelor of Education or the Bachelor of Education with Honours without previous approved teacher education shall be required to undertake professional experience as prescribed by the faculty.
- 3.2 Where a course includes prescribed professional or clinical placements, students may be required to undertake such placements away from the campus at which they are enrolled at their own expense.
- 3.3 Candidates may be required to be interviewed, in accordance with procedures approved from time to time by the faculty, to assess their suitability to undertake, or to continue in, a professional or clinical placement.
- 3.4 These courses include a prescribed professional or clinical placement(s) which may involve contact with young people. Students enrolled in these courses are therefore subject to Clause 11.3 of the University Requirements for Undergraduate Coursework Awards, which relates to the Suitability to Work with Children Card.
- 3.5 Candidates should advise the Director of Professional Experience of any potential conflict of interest with regard to their practicums.
- 3.6 Candidates must pass the professional experience component of their course. Students who receive an unsatisfactory grade will be (i) excluded from the course or (ii) required to repeat the subject. Unsatisfactory performance in a repeat practicum will result in exclusion from the course.
- 3.7 Candidates who do not complete the required number of days of a professional experience subject or a professional component of a subject, without the approval of the Director of Professional Experience, will be deemed to have failed the subject.

Concurrent Studies

4. Candidates wishing to do concurrent studies in disciplines allowed under Clause 2.3, but not offered at this University, must be interviewed by the Pro-Vice-Chancellor and receive prior written approval to enrol concurrently as external students at another university acceptable to the faculty. Candidates will be granted advanced status for these studies upon their successful completion. Normally, the credit allowed shall not exceed 15 credit points.

Additional requirements for the degree of Bachelor of Education with Honours

- 5.1 The degree of Bachelor of Education with Honours may be taken with honours in Education. Except as provided in Clause 10 of these requirements, a candidate for this degree shall normally

enrol initially for the degree of Bachelor of Education and may, subject to satisfactory performance in level 1 and level 2 Education studies, be permitted to enrol for the degree of Bachelor of Education with Honours upon application to the Pro-Vice-Chancellor.

- 5.2 Candidates for the degree of Bachelor of Education with Honours may apply to transfer their enrolment to the degree of Bachelor of Education, on conditions to be determined by the faculty.
- 5.3 There shall be no re-examination for the thesis for the degree of Bachelor of Education with Honours.

Enrolment for honours degree for education graduates

6. A person who holds the degree of Bachelor of Education, or has qualifications deemed by the faculty to be equivalent, may enrol for the degree of Bachelor of Education with Honours if the faculty is satisfied that the standard and nature of the applicant's previous academic achievements are appropriate. Such a candidate shall undertake such subjects and other work as the Pro-Vice-Chancellor designates; and the faculty shall prescribe for the candidate a minimum and a maximum period of candidature.

Advanced standing

- 7.1 Candidates for the Bachelor of Education and Bachelor of Education with Honours may apply to obtain advanced standing for previous study and recognised prior learning, as detailed in the Advanced Standing for Previous Studies and Recognised Prior Learning Policy and relevant procedures of the faculty.
- 7.2 The maximum advanced standing allowable for professional development courses within the degree is three credit points except where one course is judged to be larger in size than one faculty subject.
- 7.3 Advanced standing will be granted for professional development courses smaller than a faculty subject. However, no credit will be given for courses smaller than two credit points, or equivalent.
- 7.4 Recognition of Current Competence (RCC) may apply where a teacher education student can clearly demonstrate outcomes relevant to a specific professional experience component of a Bachelor of Education program. If these outcomes can be demonstrated, the preservice teacher will be granted advanced standing for a part of the requisite days of the professional experience requirement. Demonstration of attainment of outcomes may be in the form of professional experience reports from other institutions and/or statements of teaching or related service.

BACHELOR OF EDUCATION (PROFESSIONAL DEVELOPMENT)

Program of study in Professional Development for teachers wanting to upgrade their qualifications from three-year to four-year status.

Enrolment

- 1.1 A person intending to enrol for the course shall normally have obtained a three-year Diploma of Teaching that includes a Pass in professional experience from this University or a Diploma of Teaching or Bachelor of Teaching or an equivalent qualification from another institution of higher education approved by the Pro-Vice-Chancellor of the Faculty of Arts, Education and Social Sciences;¹
- 1.2 Experienced teachers who do not meet the above requirements may be permitted by the Pro-Vice-Chancellor to enrol for the course and be required to complete such subjects and other work as may be prescribed in addition to completing the requirements specified below.

Requirements for the award

2. To qualify for the award a candidate shall successfully complete 24 credit points according to a sequence indicated under Undergraduate Courses and Majors. There are three programs of study:
 - 2.1 Bachelor of Education (Professional Development) for teachers upgrading their qualification from three to four years provides a general program of study suitable for

teachers working in early childhood education, primary education, middle schooling or secondary education;

- 2.2 Bachelor of Education (Professional Development Special Education) for teachers upgrading their qualification from three to four years provides a program of study which specialises in teaching students with special needs;
- 2.3 Bachelor of Education with Honours (Professional Development) for teachers upgrading their qualification from three to four years provides a program of study which specialises in educational research. Candidates in the Honours program must pass ED5190:03 Introduction to Educational Research with a Credit or better to be able to continue in this program.

Advanced standing

3. A candidate who accrues one year of full-time (or equivalent) professional experience acceptable to the faculty before completing the requirements of the degree, may be granted advanced standing of six credit points. Credit shall not apply to core subjects in the designated programs of study within the Bachelor of Education (Professional Development).

see also *Courses and Majors, Bachelor of Journalism-Bachelor of Science on page 69*

Award requirements

- A candidate for the degree shall follow an approved course of study as specified in the program shown under Undergraduate Courses and Majors to obtain 96 credit points. This shall include the specified core subjects and elective subjects.

Majors

- Students shall complete all core subjects for the Bachelor of Journalism.
- Students shall complete at least one science major. A science major consists of an approved sequence of 27 credit points (nine subjects) in a discipline or cognate discipline, which must include 12 credit points from science level 3 subjects, with all subjects being passed at a grade of Pass or higher.
- The major may be included on the testamur.

Period of candidature/completion

- The normal time for completion of the course is four years full time study or eight years part time.
- The maximum time for completion is 12 years.
- The maximum amount of time a student can take as leave of absence from the course is 2 years.

Pass Conceded

- 4.1 The grade of Pass Conceded may be awarded at the examiners' meeting. This grade may also be awarded by the faculty following consideration of the student's overall result for the year.
- 4.2 A candidate who is granted the grade of Pass Conceded in a subject shall be deemed to have passed the subject and shall be credited with the appropriate credit points, but may not enrol for a more advanced subject in any discipline requiring the first as a prerequisite except with the approval of the relevant Associate Dean/Faculty Registrar.
- 4.3 The number of credit points that may be credited at Pass Conceded level shall not exceed six for the Bachelor of Journalism-Bachelor of Science. The grade of Pass Conceded shall not be accepted for a subject to count to a science major.

Advanced Standing for prior study

- 5.1 Candidates for awards of the faculty may apply to obtain advanced standing for previous tertiary study as detailed in the Advanced Standing for Previous Studies and Recognised Prior Learning Policy and associated procedures.
- 5.2 Advanced standing for previous study granted towards the Bachelor of Journalism-Bachelor of Science may only be granted for study undertaken in the previous 12 years.

Cancellation of credit

6. Unless the faculty otherwise determines, credit gained for any subject shall be cancelled 12 years after the date of the examination upon which the credit is based if by then the candidate has not completed the course.

Supplementary examination for final subject towards the degree

7. A candidate who has failed the final subject towards the degree and who gained 40% or more of the marks for that subject, may be granted a supplementary examination in that subject.

Administration of the degree

8. The joint degree shall be administered by the Faculty of Arts, Education and Social Sciences and the Faculty of Science, Engineering and Information Technology. Ownership shall rest with the Faculty of Arts, Education and Social Sciences.

BACHELOR OF LANGUAGES

BACHELOR OF SOCIAL WORK AND BACHELOR OF SOCIAL WORK WITH HONOURS

see also *Courses and Majors, Bachelor of Social Work and Bachelor of Social Work with Honours* on page 73

Note: There is a quota on entry to the Bachelor of Social Work degree course and, in addition, a quota on entry by transfer into level 3 may be applied, depending on the availability of appropriately qualified field education supervisors. All students must demonstrate suitability for social work before undertaking social work field education projects and placements.

Requirements for completion of degree course

1. To qualify for the degree a candidate must normally have completed subjects of a total value of 96 credit points in accordance with these Requirements. The normal minimum time for completion of the degree is four years of full-time study.

Constitution of the degree

- 2.1 The subjects selected shall be in accordance with the programs in Social Work shown under Undergraduate Courses and Majors.
- 2.2 Candidates will be required to be interviewed, in accordance with procedures approved from time to time by the faculty, to assess their suitability for social work before undertaking professional field education projects and placements.
- 2.3 Candidates may be required to undertake field education projects and placements in agencies outside Townsville or Cairns at their own expense.

Entry to the final honours level

- 3.1 A candidate enrolled for the degree of Bachelor of Social Work may apply to enrol for the degree of Bachelor of Social Work with Honours if that person has obtained 72 credit points by successful completion of the level 1, 2 and 3 subjects as prescribed, provided that the grade of at least Credit has been obtained in four level 2 or level 3 social work subjects including the grade of Distinction in at least two of these subjects.
- 3.2 The faculty may permit entry to the Honours degree by a person who holds the Bachelor of Social Work degree of this or another University, or who holds an equivalent degree, where it is satisfied that the degree justifies candidature for Honours. Candidates so entering shall complete the conditions of Requirement 2.1 as the Head of School may specify.

Termination of candidature

4. A candidate for the degree of Bachelor of Social Work with Honours who terminates candidature for the degree may receive advanced standing towards the degree of Bachelor of Social Work for any subject or subjects completed.

Award of the degree

- 5.1 In the award of Honours under requirement 3.1 above, consideration shall be given to the candidate's record in levels 3 and 4.
- 5.2 In the award of Honours under requirement 3.2 above, consideration shall be given to the candidate's record in the honours year.

Advanced standing

6. The faculty will grant:
 - (i) for candidates holding a completed Associate Diploma in a related field of study and admitted to a four year Social Work degree program, a minimum advanced standing of 25% of that program;
 - (ii) for candidates having completed two years of a three year Social (Community) Welfare degree program, or holding a completed three year Social (Community) Welfare degree, and admitted to four year Social Work degree program,

advanced standing will be granted at a minimum of 25%, and normally in the range of 25%- 50% of that degree program;

- (iii) for candidates having completed two years of a four year Social Work degree program and admitted to a three year Social (Community) Welfare degree program, a minimum advanced standing of 33% of that degree program;
- (iv) for candidates transferring between four year Social Work degree programs full equivalent advanced standing.

In these guidelines:

- (i) a reference to an Associate Diploma in related field of study means as Associate Diploma program accredited by the Australian Institute of Welfare and Community Welfare Workers or recognised by the university granting the advanced standing;
- (ii) a reference to a four year Social Work degree means a degree program approved by the Australian Association of Social Workers.

In the Faculty of Arts, Education and Social Sciences:

- (i) the granting of advanced standing is subject to University requirements for admission;
- (ii) the granting of advanced standing is subject to faculty policy concerning the minimum amount of study required at James Cook University before a qualification can be awarded;
- (iii) the faculty may accept, for the purposes of granting advanced standing, associate diplomas and degree programs in addition to those contained within the above definitions.

It should be noted that the Australian Association of Social Workers does not permit advanced standing to be given for field education undertaken in non-social work programs.

FACULTY OF ARTS, EDUCATION AND SOCIAL SCIENCES

UNDERGRADUATE COURSES AND MAJORS

Students are advised that all subjects are offered on condition that staff and resources are available.

Students required to complete a placement with Queensland Health should be aware of the Queensland Health policy *Management of Human Immunodeficiency Virus (HIV), Hepatitis B Virus and Hepatitis C Virus Infected Health Care Workers*.

All students undertaking placement will be required to comply with that policy or any amended or substitute policy applying at the time of placement.

The policy requires immunisation for Hepatitis B. Further requirements may be added. Students should refer to http://www.health.qld.gov.au/sop/content/immun_and_infection.asp and should ensure that they read the policy before deciding to proceed to enrolment.

Bachelor of Arts and Bachelor of Arts with Honours

Townsville, Cairns

The Bachelor of Arts degree provides students with an opportunity to complete a coherent course of study specialising in at least one area of knowledge. They are also able to combine study in several areas to obtain unique combinations of skills and background knowledge for maximum flexibility in preparation for the workforce. Students may complete a major in a single discipline, in two disciplines (a double major) or general course of study.

The structure of the degree ensures that graduates of the Bachelor of Arts have skills in oral and written communication. They are skilled researchers able to seek out information, critically analyse and evaluate evidence and plan solutions to problems in a logical and organised manner. They are able to use modern information technologies and to manage numerical information in a manner appropriate to their area of specialisation. They have a sound understanding of cultural diversity, an awareness of Indigenous Australian cultures and training in ethical conduct in at least one field of study. They have been challenged to develop creative and innovative solutions to problems and to adapt knowledge to new situations.

Graduation with a Bachelor of Arts degree requires the completion of 72 credit points of academic credit which can be achieved by a full-time student in three years or over a longer period for part-time students. Credit points are accrued through the completion of subjects with each subject being valued at a specified number of credit points. Most subjects are worth 3 credit points of academic credit but some at level 2 and 3 are worth 3 or 6 credit points or more. The credit point value of a subject indicates the work load it requires of the student: the higher the credit point value, the greater the workload. Students enrolled full-time normally complete 4 subjects per teaching period or 12 credit points of academic credit.

Students should select a major in the Bachelor of Arts. A major requires completion of 27 credit points of academic credit in a specified field.

Students may complete more than 27 credit points of academic credit in their selected major if they wish. No more than 15 credit points of study may be selected from subjects outside of the Schedule of Arts and Social Sciences Subjects except for subjects that form part of a specified major.

The core subjects for each major are listed below. For more information about each major and the recommended subjects to be studied as part of the degree, please consult the Arts and Social Sciences Subject Information Booklet available in the enrolment packs, from the Faculty Office or at this web address <http://www.jcu.aess.edu.au/coursebooklet>.

Please note that some subjects are offered every year, others in even-numbered years only (eg 2008, 2010) or odd-numbered years only (eg 2009, 2011) and some subjects are available in Cairns or Townsville only.

Honours

Honours in the Bachelor of Arts comprises a separate fourth year of study in the major in which the student completes a thesis and honours subjects. An honours year is available to selected students in the majors offered in the BA as specified.

Students who have completed a double major may undertake joint honours. Such students enrol in HU4001:06 (Joint Honours Thesis Part 1 of 2) and HU4002:06 (Joint Honours Thesis Part 2 of 2) or SS4100:06 (Social Science Joint Honours Thesis Part 1 of 2) and SS4101:06 (Social Science Joint Honours Thesis Part 2 of 2) and take honours subjects in each of the two disciplines. Students must consult the honours coordinators for each discipline to determine the course of study to be undertaken.

Subject Schedule 1**Focus or other Discipline Studies**

Focus Studies are groups of subjects organised under a particular theme. They provide candidates with an opportunity to specialise in a particular area, either to develop a personal interest or to maximise employment prospects. Candidates in the Bachelor of Education are encouraged to broaden their general education in ways that complement their qualification. For example, candidates in the early childhood and primary majors who do not have a relevant year 11/12 background in a particular curriculum area are strongly encouraged to enrol in pre-curriculum studies.

Secondary Areas of Teaching to Year 10 (SAT10) and Secondary Areas of Teaching to Year 12 (SAT12)**SAT10**

There are 10 SAT10 Secondary Curriculum Studies. Eight are Key Learning Areas (KLAs): Arts; English; Health and Physical Education; Languages; Mathematics; Science; Social Science and Technologies and one non-KLA: Business and Commerce. The tenth area is addressed below under Vocational Education.

Normally a SAT10 consists of four subjects (two 3 credit point subjects at level 1 and two 3 credit point subjects at level 2) plus the relevant SAT10 Secondary Curriculum Study.

In the Bachelor of Education, candidates undertaking a major in *One to Ten* study one SAT10 and candidates undertaking a major in *Secondary* normally study one SAT10 and one SAT12. However, some candidates may choose to study one SAT10 and two SAT12s where their subject choices allow

SAT12

Normally a SAT12 consists of eight subjects (two 3 credit point subjects at level 1, three 3 credit point subjects at level 2 and three 3 credit point subjects at level 3) plus the relevant Secondary Curriculum Study.

Exceptions occur because certain areas require different assortments of level 1, level 2 and level 3 subjects. These exceptions are clearly identified with an asterisk (*) below.

Vocational Education

Vocational Education is a tenth area. It stands outside the SAT10 framework and is only available in Townsville. Candidates who wish to study in this area are referred to the Bachelor of Education for intending vocational education secondary teachers. Discipline subjects relevant to vocational education are listed with the SAT12 disciplines below (*in italics*). Candidates in the vocational education program receive 24 credit points advanced standing for their industry qualification and work experience, and six credit points advanced standing for a Certificate IV in Training and Assessment (TAA40104).

Australian Catholic University - Cross-crediting arrangements

Candidates intending to teach in the Catholic school system are advised that, providing they have available credit points in their degree course, they may include a maximum of two subjects from the Certificate in Religious Education course offered by the Australian Catholic University.

Contingent on subjects attracting a minimum enrolment of 15 students and a maximum of 25 students, two subjects will be offered by ACU in Townsville and Cairns (through a weekend school and distance education) each teaching period. Upon successful completion, students are awarded advanced standing of three credit points per subject. The subjects are:

EDRE101	Religious Education 1
EDRE102	Religious Education 2
EDRE105	Religious Education 3
EDRE106	Religious Education 4

Candidates interested in this option are advised to contact the Faculty of Arts, Education and Social Sciences office for an enrolment package before the due date, usually the end of January for SP1 and the end of June for SP2. Late enrolments will not be accepted.

Students wishing to do Honours in Social Science should complete the appropriate level 4 requirements for the selected discipline. Entry into honours year is subject to the approval of the Head of School.

Bachelor of Social Science and Bachelor of Social Science with Honours

Townsville, Cairns

The Bachelor of Social Science degree provides students with an opportunity to complete a coherent course of study specialising in two disciplines or areas of knowledge. They are also able to combine study in several areas to obtain unique combinations of skills and background knowledge for maximum flexibility in preparation for the workforce. Students must complete majors in two disciplines.

Graduates of the Bachelor of Social Science are equipped to critically analyse information and conduct research that can assist in solving problems of significance to society at the local, national or international level. They have a sound knowledge of cross-cultural diversity and the ability to communicate effectively in oral or written form to a range of audiences. They have the skills to find information using a variety of media, to identify and make relevant contacts in industry, government and academia and the ability to work in a team environment. They have achieved a coherent body of knowledge in at least one discipline area along with the skills to define and solve problems in that area. Throughout their study they have had the opportunity to consider a range of social, cultural and political perspectives and to be guided in the ethical practices of at least one field of social science. They are, by virtue of their chosen fields of study, concerned about social issues and interested in participating in society as well informed and critical thinkers with a commitment to lifelong learning and social and personal development.

Majors within the Bachelor of Social Science

The Bachelor of Social Science degree is characterised by its diversity and flexibility. Students must major (see relevant major shown under the Bachelor of Arts) in two disciplines selected from those listed below.

Majors

- Anthropology
- Archaeology
- Asia-Pacific Community Development
- Criminology
- Environmental Studies
- Geography
- History
- Human Services
- Politics and International Relations
- Psychology
- Sociology

The structure for these majors are shown under the Bachelor of Arts.

Advanced Diploma of Arts

Townsville, Cairns

Students may choose to follow levels 1 and 2 and, in certain circumstances, level 3 of one or more of the majors identified for the Bachelor of Arts degree. Alternatively, students who do not wish to follow precisely any of the specified majors may enrol in general studies and, in consultation with the Academic Advisers, construct an individually tailored study program which fulfils the requirements for the Advanced Diploma of Arts rules and combines coherence with the opportunity for diversity and flexibility.

Advanced Diploma of Indigenous Studies

Townsville

To qualify for the award a student must have successfully completed 48 credit points, 24 credit points from level 1 and level 2 with some level 3 credit points permitted where a specific employment requirement is being pursued and subject to approval by the Head of School.

The total of 48 credit points shall include:

- IA core subjects at level 1 and level 2;
- a minimum of 18 and a maximum of 30 level 1 credit points;
- a minimum of 15 level 2 credit points; and
- may include a maximum of 12 level 3 credit points.

Students must complete level 1 and level 2 core subjects and at least 24 credit points of Indigenous studies (IA) subjects. Other subjects may be selected from the Schedule of Arts and Social Sciences Subjects. Up to 6 credit points from tables other than the Schedule of Arts and Social Sciences Subjects may be taken.

The normal minimum time for completion of the course is two years of full-time study and five years maximum time. Graduates who subsequently enrol with advanced standing in a Bachelor of Indigenous Studies or other University higher award will be required to surrender the Advanced Diploma before the higher award is conferred.

Diploma of Arts

Townsville, Cairns

The Diploma of Arts is a one year program of study accessible to students seeking entry to university but who may not have reached the criteria for entry to their course of first preference or those who would like to examine their personal suitability for university study before committing to a full degree. The program of study prescribed includes subjects which build generic skills in areas such as effective writing, critical reading and analysis of social and cultural issues which are required to succeed in further study in a range of fields and particularly in those of relevance to the humanities and social sciences. Successful completion of the Diploma of Arts guarantees entry to a wide range of degree programs at JCU along with transfer of academic credit.

If students wish to progress into a degree program, consultation with the appropriate Academic Registrar or Associate Dean is advised prior to commencement of the diploma, so that students may be advised of subjects that will be credited towards the degree program. Students wishing to progress in social science fields involving quantitative research methods should complete MA1020. Other students may complete CU1112.
